Jim

Of the dates you provided (July 7,13,14,20,27), Catherine cannot make it on the 27th and Richard Mach cannot make it on July 20th. So that just leaves 3 days in July. Catherine could likely make it these 3 days if the meeting is NYC, but if we decide to have it in Albany or New Paltz to accommodate DOH those dates may not work as she currently has some entries on her calendar those days.

Have you guys reached out to anyone from DOH about the meeting? Do you guys want to check their calendars for these three dates and see if they can make an NYC meeting?

Mach also said that he would be out the first 3 weeks of August. Maybe we should check calendars for the last 10 days of August as well so that there are more dates to choose from?
